

YEEUN HONG (EDEN)

Graphic · UI UX Designer

Experience

Graphic Design & Marketing Manager / Ignitr Career & Academic Advising

Toronto, ON / JAN 2026 – Present

- Led full-scope visual brand development including web design, ad creatives, and social media content across desktop and mobile.
- Designed and developed multiple pages of ignitradvising.com on Wix, establishing design specifications (grid systems, typography, spacing) for scalable content expansion.

Freelance Graphic Designer / Koreanna Kitchen

Toronto, ON (Remote) / JAN 2026 – Present

- Optimized website content for koreannakitchen.com, driving a 96% month-over-month increase in site visits through improved UX copy and brand clarity.
- Designed packaging labels for a sauce line, developing color coded and monochrome variants optimized for online retail presentation.

Graphic & Content Designer / Light Presbyterian Church

Mississauga, ON / JAN 2023 – JAN 2026

- Grew Instagram following from 200 to 450+ through consistent content design and platform strategy, with one Reel surpassing 1M views.
- Developed team logo and established brand identity system across all church digital and print communications.

Graphic Designer / KOTRA (Korea Trade Investment Promotion Agency)

Seoul, KOR / JAN 2022 – JUL 2022

- Delivered comprehensive design packages for international trade events, maintaining brand consistency across global digital and print materials.
- Redesigned the headquarters login screen, improving UX for 1,300+ employees through monthly strategic updates.

Graphic Designer / Chammi Food

Seoul, KOR (Remote) / JAN 2021 – DEC 2021

- Increased brand visibility by 20% through product packaging and promotional graphics for online channels.
- Produced promotional video and motion graphics for social media campaigns supporting two product launches.
